## The new directories have arrived!

Recycle your old directories, **May 30<sup>th</sup> - June 10<sup>th</sup>**

| TOWN        | RECYCLING LOCATION                    |
|-------------|---------------------------------------|
| Eden Valley | Melrose Telephone Building            |
| Greenwald   | West of the Greenwald Pub             |
| Grey Eagle  | The Junction                          |
| Kimball     | Melrose Telephone Building            |
| Melrose     | Melrose Telephone Building            |
| Richmond    | Melrose Telephone Building            |
| Sauk Centre | Mainstreet Communications Parking Lot |
| St. Martin  | St. Martin City Hall                  |
| Watkins     | Melrose Telephone Building            |

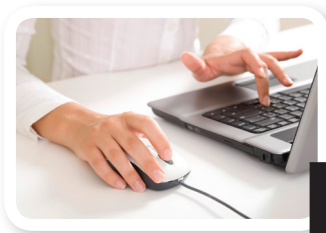

If you did not receive a new directory or would like additional copies, please stop by our office or at one of the local banks. We encourage you to look at your listing and call our office if any corrections need to be made. Please remember to recycle your old directories.

Reserve your advertising space for next year! **Call 866-531-BLUE.**

There will be no Internet classes this summer. Please check for dates in the Fall.

Be sure to watch Tech Time on DTV all year long for helpful information and tips.

## Bring your computer to the **TECHS** for **Spring Cleaning!**

Now is the perfect time to get your computer checked up, tuned up and cleaned up. It's a good idea to check things over on your computer to correct any issues, get rid of viruses and ensure tip-top performance.

Just like your car, your computer can benefit from on-going maintenance. Call the Redneck Techs today and schedule a time to have your computer evaluated and serviced. Our professional technicians can answer just about any question and fix just about any problem.

## Protect your family, home or business with new Security Solutions from Diversicom!

Security Solutions is offering special Safety Month discounts to help you keep your family, home and business safe.

- 50% off Monitoring – Residential security monitoring is \$15/month when you purchase a home security system.
- Free PAL Installation – Falls are the leading cause of injury-related deaths among older adults. With a PAL (personal alert line) system, help can be on the way with just a touch of a button.
- Free Sensaphone Installation – Monitor smoke detectors, temperature, power failures, water on the floor, and a lot more to keep your home, cabin and business safe. When the Sensaphone detects a problem it will notify you immediately.

Call Security Solutions at 866-882-3195 to take advantage of these Safety Month specials.

Offers valid through 6/30/11, and may not be combined with any other offer. 50% off monthly monitoring requires minimum purchase of standard ACS Security Solutions package, including Honeywell panel with keypad and siren, 1 wireless motion detector, 2 wireless door transmitters, installation and security signs for \$495 and is for residential customers only. A 36-month Alarm Monitoring Agreement is required. Alarm Monitoring is \$15 per month with Diversicom local telephone service; or \$30 per month without Diversicom local telephone service. Free activation of PAL or Sensaphone valued at \$35. PAL service is a monthly contract of \$29.95/ month and requires 3-mo. minimum commitment. Sensaphone is \$395 for purchase or \$15/month. All offers are based on service area, some restrictions apply.

We'll see you this **Summer!**

Diversicom will be coming to a town near you this summer!

Local youth groups will represent us in parades and earn a donation for their organization.

We're proud to support the communities we serve.

## Thunderstorm Safety!

When lightning is in the area, make sure to unplug all electronic equipment. The typical surge protector will NOT protect electronic equipment during a lightning strike.

When indoors during a thunderstorm, avoid wiring, plumbing, and metal which can conduct lightning. Avoid using a corded telephone, using a computer, taking a shower, washing your hands, or doing dishes or laundry. It is also best to avoid cement floors and walls with wire mesh and rebar inside, like garage floors.

If you are unsure about certain equipment please call our office.
